“ Growing up in Cresskill would not have been the same without Mrs. We. Always a smile, a wise crack, and big hugs. The world was a better place because of you. Forever and ever you will remain in our hearts. How lucky we are to have so many wonderful memories.

“ It's been so long since I've seen Lisa's mom, but I can envision her clearly, sitting at the kitchen table with Lisa's Dad. I loved them as a couple, they were cute and funny.

I would climb those narrow wooden stairs, smell something Italian cooking and be greeted by a boxer. It was a tiny kitchen back then, but it offered big love and conversations with us 12 year olds that felt important. I appreciate that even more now, having my own 13 year old.

Much love and comfort to your family, Lisa
