“ Many knew him as Doc Collins but I knew him as Uncle Paul. He was my grandpa’s cousin and best friend. He always had a bright smile and quick wit. When my family had their annual Christmas party, you could always count on Paul and Terry to bring the popcorn tin. He will be missed dearly but I know how happy he is to be reunited with his beloved Terry, sisters, parents, and cousin and best friend Charlie again. My deepest condolences to Brian, Michael, Kevin, and Suzanne. He will be greatly missed.

“ He lit up the halls of Dumont HS! Always pouring into each and every one of us - I am a college counselor now myself, so that I can do the same for my students. Sending love to his family and friends during this very difficult time.

“ I’m so deeply sorry to read this. Your Dad was a wonderful man, always ready with a smile, a quick quip and a good story. After my parents moved down the shore, it was always a special treat when we would bump into your parents & sometimes Suzanne too, on the boardwalk. It was a nice catch up with lovely friends. Your parents were such a great couple & they were so proud of you kids. My sincere sympathy on your loss. I will remember both your parents fondly. 🙏 Joni Fiore

“ I cherished my time with Paul at Arbor Terrace in Norwood. Talking with him each morning and afternoon was one of the highlights of my day. He loved to bust chops and I will miss him dearly. May he Rest In Eternal Peace. My prayer are with all of you at this time.
