“ Very sorry to hear of the passing of Paula. Words matter so very much. Simple, few, sincere words. Most of the memories I have of your Mom (& Pete - your wife) have to do with visiting your home in the 1970s. Playing in the backyard with the girls, and of course our parents just sittin' and talkin'. Remember going to the drag races too in Englishtown. Hot sunny days watching the Camaro go down the track. However, the most vivid memory I have is Paula's attendance at my wedding with Pete. That memory is helped by photos. I have a photo of Pete & Paula together at the wedding I believe and I will try and dig that up and post it. But the memory is simple. Our wedding (Beth and mine in 1988) was relatively small, at a Lake club house in Franklin Lakes and pretty simple. Partially outdoors, beautiful September day. Fit 85 people in the place. And whether Paula told me directly or said it to my mom or Dad (Ray or Lorraine)....what I remember is her saying: "this is one of the most pleasant and enjoyable weddings/receptions I've ever been to." The point is.....it really is the simple things/words that stick with people. Those stuck with me. Simple and few words said at the right time, right context. I always do remember her full faced smile. I'm sure she will be missed by you all. And if these simple words help.....it is the faith of a child that Christ seeks for.... in any person, the reward for which is not only peace in heaven, but joy to be with the One who knows Paula perfectly. And that Joy is not only for Paula, but for those of us still here on Earth with the highest hopes for state of being right now. My hope....that these few words of mine.... I trust, spur hope. And I trust that is what is needed at such a time (and year) as this. God bless you all: Pete, Lori, Lisa, Leslie, Denise and the entire set of family members who knew and loved your mom.....your wife. Duane Stupienski - Granby, CT
