“ Aunt Pearl, and her entire family, was a part of my life since I was little. After my mom passed away in 2005, she reached out and hugged me through the distance, and never left me.

At my brother's wedding, she gave my husband kisses and hugs and made him blush, and he's never forget that. She was such a joy to be around, even though for us it was at a distance, through mail, and we will never forget what a kind, loving woman she was.

Our condolences to all her family. I know that you know how blessed you are to have the family you do. Although Aunt Pearl is now gone, I know in my heart she never stop watching over you.

All our love, Deb and Eddie Burk

“ *Missy and Family, What an honor and a blessing to have known your Mom! Pearl was one of the kindest and most giving people I had the privilege of knowing. Whenever I think of Pearl, I will smile and remember her with love and happy memories. Sending love and prayers to you all. Maureen Taffuri*
