“ *Pete.... I miss your kindness, your compassion, and your empathy, for the human soul and soul of animals. You were always concerned for others. I actually have no memory of you asking anything for yourself. Instead, your heart was huge and it was only others that you worried about. You were an angel on this earth and now you are an angel above. Rest In Peace... although knowing you ... you are still working hard helping others. Sending love and hugs to all that love you.*

“ *My deepest heartfelt sympathies Marylyn. I knew Peter since elementary. He was always such a nice guy, big heart. He helped me rehome 3 dogs for a friend. He helped when my dog passed to get another when I was ready. I can't believe he's gone. Never a complaint of anything. Rest in God's Peace. May God send His Comforter upon you . Til we meet again Pete. Rest in Sweet Peace*
