“ *We will always have loving, warm memories of our time spent with Pete coaching the kids through the years. The leadership and laughter he provided to the team was priceless and helped shape the future of these upcoming young men.*

I must say that my husband, Steven Potterton, truly enjoyed Pete's company in particular. They had many laughs over the years and will have many more to come.

God Speed Pete ❤️💔

With love,

The Potterton Family

“ I once called Pete, while he was having a business dinner in New York City. We had to go to Washington DC for an early morning meeting for a Major Bidding Proposal meeting. He said he was busy... I said we were ordered, by headquarters to be there... early. Multi Million Dollar Project. He told the customer dinner was over and drove back to NJ. He picked me up in his SUV, and, we drove to Washington DC. On the way, a State Trooper pulled us over for speeding, Pete liked to drive fast.... The Trooper was app. 6'4" tall.. Pete talked to him using his great smile and personality, made friends with the Trooper, and convinced him to let us go.... I recall he may have said his brother was "On the job in the Bronx" My recollection is that he is a dentist....

Another time, we were at the Doral Golf course in Miami, Pete was running all 18 holes while I drank hot coffee, and followed him in the golf cart. When stopped by security, Pete convinced the Guard that he was a Famous Boxer, and, he had permission to run the course. When the guard asked who I was, he said I was his bodyguard,.

I have met many people in my life. Pete, was very unique and special. Generous, Brilliant Engineer, Family man. I'm in shock to hear the news of his passing. Gone too soon.....

I will pray for his beautiful family, and know, that he is in heaven. My deepest condolences to his family

Rest In Peace my friend, You will be missed.....

“ I've probably known Pete for at least 12 years. He moved into the same building I was living in in Fort Lee. My heart aches for his three boys. May they find comfort in knowing how much he loved them, and reflect upon fond memories that will warm their hearts.
