

Philip Morgan

April 14, 2021

Philip John Morgan, 56 of Emerson, NJ passed away peacefully at home on April 14, 2021, surrounded by his loving family. Phil fought a courageous battle with cancer.

Philip grew up in Cresskill, one of five children. He proudly served in the US Navy, 1983-1987. He protected his country and saw the world.

He was married to the love of his life, Amy, for 28 years. Together they raised their pride and joy, Michael Quinn, 23. Phil and "MQ" were best friends who spent countless hours fishing together, whether it was at the Reservoir or off the coast of Key West, sunfish or marlins, they loved every minute together. Through coaching Michael Quinn's sports as he was growing up, they made dear friends who became family.

Philip is survived by his wife, Amy; son, Michael Quinn; and beloved dog, Murphy. Philip is the beloved son of Philip and the late Rosemary Morgan and cherished son in law of Don and Rose Marie Resch.

He is survived by his loving siblings: Catherine (Eugene); Jimmy (Laura); Tricia; Matt and brother in law John (Barbie).

He is the proud uncle of Jamilee, Jim, Brittany, Shane, Jack, Delaney, Richard, Madeline, Brayden, Brian and great uncle to Lillian Rose.

He enjoyed and was blessed with the strong bonds of friendship with so many. Arrangements: Barretts Funeral Home, Friday, April 16, 2021 from 4:00-8:00pm.

In lieu of flowers, please make a donation to St. Jude Children's Hospital. Phil

did not want any child to suffer as he did from cancer. Also to Valley Hospice, who were angels in their care of Phil, Amy and Michael.

Just one of countless memories of Phil that will last for eternity! My heart aches to think we won't see you here again but save us a spot at the bar in Heaven, and with the grace of God, we will join you there when its our time! Love you Phil!

“ *I first met Phil and Amy back in 2003 on my first visit to Sto NJ. Phil was always positive and just a great guy to be around. I am very sorry for the family to have to endure this loss and you will all be in my prayers.*

“ I am very saddened by the death of Phil. Although we haven't seen each other in many years, childhood memories are always the strongest. We shared so many good times with our crew. Kenny's house, Dawn's house, and yes, Phil's house. We would hang out in the living room over the summer of 82, maybe 83. It was always during the day and I'm not sure we ever got caught. There were at least 5 of us, and it was the first time I saw MTV! We didn't have cable at my house and MTV was new to us. We watched hours of it, while trying to figure out what else there was to do.

Phil used to pick me up in that Gremlin with those tin can sounding speakers, and drive me to BCC when we had classes at the same time.

We went to the pool, it seemed in droves, but spent more time hanging out and laughing than swimming.

Phil was always smiling and cheerful. I never saw him scowling or angry. He was an important part of my teen years, as are everyone from our little town. Things are so different now, but our memories are truly forever. I loved that kid;)

May comfort and tenderness be found in every memory for his family and friends and know that

Phil will make a good Guardian Angel for everyone he continues to love. Xo Glynis
