“ Uncle Bobby, I can't thank you enough for accepting me into your family with such wide open arms and treating me with such love. Knowing you for what short time it was, you greatly impacted who I am. I've always looked up to you and always knew you had the answers when Angela and I ever ran into a problem. Thank you for all the good times, always being there for us, and always keeping us smiling. - Your Nephew Eric

“ Uncle Bobby,
I'll never forget all the great times we shared together. The holidays, the pizza making, the trips to Outer Banks. Too many good times to fit on one page. Eric and I will miss everything about you, your smile, your laugh, your gentle spirit. I know you will always continue to guide us in life as you have already helped us more than ever. This life won't be the same without you but I'll always cherish the memories we have and always looks back on them fondly. You will be missed more than you know, love you always. -Your niece Angela

“ Rest in Peace Goody. You will be missed by all who had the pleasure of knowing you.
I can think of no one more suited to their nickname. There will forever be an empty space in our hearts and at the end of my parents kitchen island.

Love Always, Jason, Ashley, Caitlin, Jack
