“ I had the pleasure of working with Lieutenant Kirchmer during my first few years with the police department. Bob was true local cop who prioritized the "human" side of policing. Soft spoken as a police officer and a supervisor, I can't recall an incident where I heard him even raise his voice to anyone he dealt with. He was an entertaining storyteller with a contagious laugh who was well liked within our ranks. Rest in peace Lieutenant; Tenafly will miss you greatly.

“ Lieutenant Bob - faithfully served the Tenaflly Police Department for 32 years. Appointed in 1956 and retired in 1988. Bob loved his newspapers and a good conversation. An avid storyteller and lifelong resident of Tenaflly who knew more about the town than most. It was an honor and pleasure to listen to him speak about Tenaflly. An exceptional gardener who grew different types of vegetables as well as some of the best tomatoes of which he was very proud of. Fondly remembered and sadly missed. R.I.P.
