“ Dear Corinne and Family,  
I am passing along an email trail between myself and Nobuki Takahashi, our Pfizer Japan colleague.  
Takahashi-san sends his condolences, as do I.

Dear Vicky-san,

Thank you very much for telling me.

I'm so sorry to hear the sad news. He was our valued colleague and made a huge contribution to the success of J-NDA Prevenar 13. I feel honoured to have had the opportunity to work with him. He will be sadly missed.

Best regards,  
Takahashi

Dear Takahashi-san,

I am passing along some sad news, I know how hard you and Bob Zanone worked to get Prevenar 13 approved in Japan. I felt you might want to know. He was 67.

Kind Regards,
