“ To all the DiMari's, you have my deepest sympathy. Rose made a big impression on me. I was home with Lily for the first year after she was born and I spent many days hanging out in the back yard with Rose, Rosie, and Daniel. She was a strong woman who loved deeply. I appreciate so much the time I spent with her. All our Love, Denise, Lily and Grace (201 Liberty Rd).

“ My condolences to all the DiMari's. Your Mom was like a second mother to me, and you all were more than just neighbors and almost like brothers and sisters. Rose also looked after my mother after my father passed away, and we are forever grateful for that. I'll always fondly remember your Mom's hearth laugh and great sense of humor, and I am so fortunate to have had all the DiMari's and Parazzo's as my neighbors, friends and family while growing up. Take care and love to all...

I'm so sorry to hear of your Mom's passing. She was a great friend of my parents and another mom for the younger kids in my family. Her great cooking was something that my mother could always count on for Earley family get togethers. I have lots of fond memories of your family and your mom in particular.
