“ It's been too many yrs to count but I recall memories. galore when I was a family member from the Pavlick side.. I recall Stan extremely bright, generous and mild mannered.....never a bad word.. I always had kind thoughts and sorry he has left us.

“ Stan, I have not seen you in so long, and only once since we were kids.. I remember playing Dukes of Hazard on our bikes.. I used to love watching you jump with your bike, and I remember hearing you practice your drums since you lived right behind me.. I wish we had gotten to hang out more as adults.. 😊👉 I always liked you.

“ Stan was a part of my life as long as I can remember. He was never too cool to talk to his best friend’s little sister and it made me feel so included when he did. You always were so kind and quick with a smile. May you Rest In Peace.

“ Stanley Zac worked for me at Quest for many years. He was by far an invaluable help to me one I could always depend on regardless of the work pressure and customer demands. Dedicated and a true asset to any company but most of all a warm caring and genuine person. I am extremely saddened by your loss but seek solace in knowing he’s now at peace and certainly in a better place
