“ I met Steve, and Deanna, more than 35 years ago, as they were deeply involved in assisting a family member with a significant disability. They were the most caring advocates, and instrumental in the creation of the Family Organization at Mid-Bergen Community Mental Health Center (now, Care Plus NJ), which was one of the founders of National Alliance for the Mentally Ill (NAMI) NJ. Steve maintained his commitment to assisting Care Plus NJ, for many years, even after his own family needs had come to their conclusion. I am not a golfer, and he was, so I appreciated his personal involvement in many of our fundraising events. I miss him a lot, already.
