“ I knew Potts maybe the least of all. He called me “new girl”. I knew then he was one of the special ones. I always wish for more like him.... People whose intention is to connect and make us laugh. For me, there is no greater gift than laughter. With half a shirt stained with red wine, he danced with me at my wedding to Willie. I hope a piece of Willie went with Potts. I know a lot of Potts will remain with Willie forever. He will be missed by hundreds. Maybe thousands. RIP from the new girl. XOXOXO
