“ *This man was the first to ever dance with me.. as a flower girl at his wedding.. He was the one who lifted my chin up and told me that life was hard but no matter what I did in this world, he knew I'd be okay.. he was our fathers name sake.. My brother Junior.. I'm going to miss you more then anything... I never got to say I love more... then any time and distance between us. Xoxo Kaz*

“ *Victor was an exceptional human being with a great sense of humor. I was fortunate to have had his presence as my housemate this past Winter. He made the long season so much brighter with his laughter and hilarious joke delivery. To have transitioned from talented contractor to talented Sous Chef was an admirable feat! Will continue to miss you, dear friend, with much Love to your family.*
