MY

“ Dear John and Andrew

Sorry sorry to hear of the passing of your mom. As you know our family has a lifelong history with both your mom and Aunt Helen. Mom just spoke to her a few weeks ago. We were hoping to see her in June when we are bringing mom up for her 100th birthday. So many fond memories of both your mom and dad. My sister worked at the pharmacy for a summer and mom worked with your parents for quite a few years. Your mom and mom were the last of the Keyettes which was a group of ladies that all went to high school together and kept in touch with yearly meetings over the ages.

You were truly blessed with wonderful parents. They loved their community and their lifelong friends.

*Love to you all,
