“ *Lois and family. You may not remember me, but we met at Vinnie's 50th high school reunion. Vinnie and I were tight through grade school and high school. I called on numerous times for legal issues and he always was warm and a great friend. He shall be missed by all that knew him. Chuck. (Charlie) Balcom The Villages, fl*

“ *Thinking about the happy times does help. All my memories are good ones. You were the first person ever to send me flowers. Even though you were on the otherside of the world in Thailand, fighting a war, you remembered my 21st birthday. Twenty one roses. No matter how many years or how many changes, I have always loved you and always will.*
