

Walter Ortiz

July 5, 2018

Walter Ortiz passed away July 5, 2018 after a 14 month battle with cancer. More importantly, he was known as an avid bicyclist, runner, swimmer, skier, skater and snowboarder. He had a fierce passion for his Indian motorcycle, its community and the adventures it took him on. He was known and loved by his hometown community of Hoboken where he knew people everywhere he went and changed so many people's lives for the better. He is loved and missed terribly by his wife Adrienne, his son Corbin, his brother Nelson and wife Emma, his niece Armanda, her husband Andres and sons AJ & Austin, his niece Edna and daughter Cairo and many cousins, extended family members and loyal friends. Services will be at the Barrett Funeral Home, 148 Dean Drive, Tenafly, NJ on Saturday, July 14th from 11:30am-2:30pm. There will be a motorcycle memorial ride up to Piermont, NY following the service to spread his ashes along his favorite riding route.

“ I am deeply saddened to see this news. Something told me I need to look him up and see how he was doing. This was the news I had not expected. I lived in Hoboken for many years. The building on Washington St where he lived and I lived as one of the several tenants burned down in 2002. He was the first to respond and was a welcoming presence. He took care of all of us there. I you;dnt have gotten through it he had not been there. A year later he found a cute apt for me behind the one on Washington. Was grateful. Then a year later he got me back into my old apt that had burned down on Washington St. I want to say he went above and beyond for anyone. He was so full of life and funny and good to talk to when you needed an ear. I am beyond sad. He was loved by so many. Rest in peace my dear friend. Alison

“ *My sincere condolences to Walter's family. He was so generous and kind to me even though we had known each other for only a few years, driving all the way to Atlantic City to retrieve my first motorcycle from a private sale. He encouraged me to ride even though I was a total newbie. Such an amazing friend. Love him and will miss him forever.*
