“ Aunt Phyllis and Uncle Marty are very sorry about Will passing. He was always very friendly and caring all the times we visited with you and him and he always made you laugh or roll your eyes with your infamous smirk. He is now in a better place, take care of yourself which is what Will would want. He and you are in our prayers. “ Although I never had the opportunity to meet Will, I know that you were devoted to each other. It is very hard to lose someone that you have shared your life with and loved. James, you have always been a caretaker. First your Mom and then Will. Now is the time to grieve your loss, heal and take care of you.

Will is not longer suffering and he is at peace.

“ Will always made us smile and laugh whenever we saw him at the family home in New Jersey. He made us the best spring rolls ever! We remember how excited he was about building a house in the Philippines with Jim. They created a beautiful home together as long-term partners. We will miss him and send our love and prayers to Jim, Doug, Chris and to the Vasquez family.
