April 16, 2020

Dr. Woon Soon Lee (aka Walter Lee) passed away on April 16, 2020 at the age of 85. He was born on December 13, 1934, in Myungchun-goon, Korea, the youngest of 6 siblings. He graduated from Seoul National University College of Medicine and immigrated to the U.S. in 1960. He came to New York City where he worked as a psychiatrist and was fortunate enough to meet his wife, Aija Koh Lee, with whom he built a life in New Jersey and shared a lifelong love of classical music. Woon is survived by his loving wife, Aija, their three children, Susan Lee Rosato and husband William Rosato; Shirley Lee and husband Taeku Lee; and Milton Lee and fiancée Bevin O'Rourke; and six adoring grandchildren: William, Nicholas, Christian and Anna Rosato, and Ella and Linus Lee. A celebration of Woon's life will be held at a future date when family and friends can gather together and remember all that Woon meant to us as a husband, father, friend and colleague.
