“ *Mrs. Tweel,*

You will always have a special place in my heart. Just fond memories of you and your strong presence throughout my teenage years. Your laugh and smile were infectious and will never be forgotten. Rest in Peace...xoxo

“ Dear Auntie Yvonne,
My memories of you have always been wonderful. I used to look forward to visiting you and the family on Shore Road, the only Aunt with an elevator. As a kid, that was a huge thrill. Our visits to the Jersey shore with you, were always fun filled and something I will always remember.
I pray that you are having a blast with your sister's in heaven and are enjoying a scotch and water with them.
Love and will miss you.
Your nephew,
George

“ I will miss you dear Aunt and Godmother. I'll always remember your laugh and smile. Although, we lived in different states the times we did get together were wonderful. Especially loved when the Brooklyn crew came to visit us In Ct. for the Kajok picnics. Lots of Fun food and laughter. Even though everyone got lost trying to find our house it always turned out great. Will miss you , Aunt Yvonne.
Love Carol

“ When I first met Yvonne’s family I was told she was apprehensive about getting an aid so I was a little bit scared, I thought she would be upset and send me away for sure but as I walked into her bedroom apartment I remember it clearly like it was yesterday and not almost 6 years ago she was getting dress I said hello what pretty clothes you picked out for the day she looked at me and said oh yes, well help me pick out a pair of matching shoes and the rest is history. I’m gonna miss our conversations our sitting together side by side when those conversations stopped I’m going to miss her smile when I would wake her in the morning. I’m just gonna miss her period... God bless you my friend

“ There are two distinct memories of aunt Yvonne. One of them was when I and Teddy were 10 and 11 years old , my aunt took us to the circus. In those days they had a circus tent with the fat lady , tattoo lady the sword swallower , bearded wonder , and animals in the cages, the smell would kill you. driving To the circus we passed a hotdog vendor she said to Teddy and I, Don’t ever eat from them .The brooms those guys Use to sweep the dirt and water away it is the same broom they use to put mustard on hotdogs and it is discustion. The second memory is teddy and I had our first beer given to us by sit Yyvone.
We were at the great rental house I belmar.
It was so hot instead of drinking water we asked aunt Yvonne to buy us beer and she bought us a six pack.
Teddy and I drank a sixpack laughed our ass off and for that nights dinner we caught fish blowfish.
I will miss Aunt Yyvone but have such great memories!! Your nephew Bobby
